

- SPIDER ROCKETS is: Helena Cos (vocals), Johnny Nap (lead guitar), Bones Hackett (bass guitar), Dan Prestup (drums)
- Touring on *Spider Rockets* (PDR) distributed on iTunes and other digital portals on 5/19/09
- *Spider Rockets* recorded and produced by Eric Rachel at Trax East (Atreyu, In This Moment)
- National and international touring experience in all size venues
- With online distribution and physical sales, SPIDER ROCKETS has sold over 10,000 units to fans all over the world
- Currently sponsored by Sabian Cymbals
- "[Spider Rockets] continue to crank out the crunchiest, catchiest, most melodic, mean-riffed and caustic metal noise since L7 and Seven Year Bitch gave way to the likes of Sleater-Kinney...."—Al Muzer, *The Aquarian Weekly*
- Female-fronted ass-kicking hard modern rock meshing the grunge vox stylings of 7-Year Bitch with the radio rock sound of Velvet Revolver or Godsmack
- Previous CD distributed in North America and in Europe
- Press by Chipster PR (Chip Ruggieri), publicist for Judas Priest
- Previous CDs charted in top 15 CMJ adds, top 10 CMJ Loud Rock adds, top 10 FMQB adds
- Just opened for Duff McKagan and has shared the stage with numerous national acts coast to coast
